1. Nature of business and summary of significant accounting policies

Nature of Business

Three Rivers Brokerage, LLC (the "Company") is an entity organized under the laws of the state of Delaware on April 11, 2011, and is a wholly-owned subsidiary of Three Rivers BD Holdings Limited ("TRBD"). TRBD is a wholly-owned subsidiary of Three Rivers Fund, L.P. ("TRF") a limited partnership organized under the laws of the state of Delaware. The Company will conduct business as a limited-purpose broker-dealer by acting as a private placement agent to offer interests in TRF. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA").

Basis of Presentation

This financial statement has been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from these estimates.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation and is depreciated on a straight-line method over its useful life of 3 years.

Income Taxes

The Company is a limited liability company, and is treated as a partnership for income tax reporting purposes. The Internal Revenue Code ("IRC") provides that any income or loss is passed through to the members for federal and state income tax purposes. Accordingly, the Company has not provided for federal or state income taxes.

At December 31, 2014, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to formation.

2. Property and equipment

Details of property and equipment at December 31, 2014 are as follows:

Office equipment	\$ 962

3. Net capital requirement

The Company is subject to the SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2014, the Company's net capital was approximately \$56,000, which was approximately \$51,000 in excess of its minimum requirement of \$5,000.

4. Concentrations of credit risk

Substantially all of the assets of the Company are held by one bank. The balance is insured by the Federal Deposit Insurance Corporation up to \$250,000 per institution.

5. Exemption from Rule 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

6. Related party transactions

The Company is a party to an expense sharing agreement with The Williams Capital Group, L.P. ("WCG"), an entity related through common ownership. The general partner of WCG is also the general partner of TRF. Under the terms of the agreement, WCG charges the Company for its allocated share of certain overhead expenses. At the direction of the general partner of WCG and TRF, at December 31, 2014, indebtedness of \$13,847 to WCG was forgiven and treated as a non-cash capital contribution on behalf of the sole member of the Company.

Pursuant to a lease agreement, the Company rents office space from WCG. The monthly rate for the period from January 1, 2014 to August 31, 2014 was \$500 per month. As of September 1, 2014, the monthly rate decreased to \$100 per month. The agreement is set to expire in October 2015.

Aggregate future lease payments for office space to the related party subsequent to December 31, 2014 are as follows:

Year ending December 31, 2015

Due to the lack of revenues, the Company is reliant upon its parent to provide operating capital or any additional regulatory capital as appropriate.
